

FIND YOUR RING SIZE

Before you print:

- Make sure that page scaling is set to 'None' in your print settings.
- Make sure you are printing to a standard 8.5 x 11 size paper (A4). Your ring sizer should be 3.5 inches.

Option 1: Use a ring sizer to measure finger

1. Print and cut the ring sizer below.
2. Wrap the ring sizer around your finger with the number side visible to you.
3. Take note of the number that appears closest to the slit - that is your ring size.

Option 2: Measure a Current Ring

1. Select a ring that fits your finger correctly.
2. Place the ring over the circles below until the inside of your ring finger matches a specific circle.
3. If your ring falls between two sizes, order the larger.
